

Live Stream Production Operator

Fixed Term (initially 28th March – end September 2022 with option to extend contract for 2022 season dependant on performance)

About Leicestershire County Cricket Club

Leicestershire County Cricket Club (LCCC) is one of eighteen first-class county clubs within the domestic cricket structure of England and Wales. It represents the historic county of Leicestershire as well as being representative of the county of Rutland. The Club's limited overs team is called the Leicestershire Foxes.

One of the Club's aims is to make its county ground the "premium Leicestershire outdoor venue" for concerts and first-class events, with the delivery of an ambitious events programme once the pandemic is behind us. It also wants to improve the way it manages staff, create a diversity action plan, and host regular members' forums. LCCC has a strong membership heritage and we are ambitious in our plans to increase our supporter base significantly over the next five years.

Role Purpose:

We have an exciting opportunity for a livestream camera operator to join our matchday media team. The post-holder will be responsible for the professional and high standard execution of the club's live video stream service which provides full match coverage available to thousands of cricket fans around the world.

The Live Stream Production Operator will ensure all aspects of the streaming service are delivered in accordance with the Club's aims and objectives.
